

A Shooting Affray

AT PEAK HILL.

[BY WIRE.]

A serious shooting affray occurred at Peak Hill, at 1 o'clock this morning, when a Russian named Joe Felipe fired on Edward Morton, with a 32 cal. rifle, inflicting two serious wounds—one bullet pierced the right lung, and another passed through the abdomen. Morton's condition is reported to be serious, although hopes are entertained for his recovery.

It is alleged that both men had been drinking, and Felipe maintains that Morton abused and assaulted him, and taunted him, calling him an Austrian.

Felipe has been arrested.
