MR LOUIS P. JACOBS

A private cable message received on Tuesday contained the news that Mr. Louis Philip Jacobs had died at California on Monday after a long illness. Before retiring from business in 1914 and taking up his residence in Hove, Sussex, Mr. Jacobs was a leading business man in Melbourne, being the senior member of the firm of Jacobs, Hart and Co., tobacco merchants, the interests of which were later purchased by the States Tobacco Co. Although Mr. Jacobs took little interest in politics he was a strong advocate of the doctrines of Henry George, and his benefactions to that cause in Victoria and England were on a liberal scale. Deceased was a brother

MR. THOMAS LAKOVSKY

Mr. Thomas Lakovsky passed away on March 14, in his 70th year. The interment took place at Rookwood Cemetery.

Like many of his countrymen, Mr. Lakovsky found an attraction in the boom days of many of the Australian mining locales. Arriving in Perth, W.A. in the year 1900, he immediately proceeded to Kalgoorlie, where the rest of his family came to take up residence.

Alternating between Kalgoorlie and Perth, Mr. Lakovsky then proceeded East to Broken Hill which was then sufficiently attractive to hold him for several years. Broken Hill at this time enjoyed a population of over 40,000 souls. The Great East called strongly, however, and the year 1912 saw the Lakovsky family domiciled in Sydney.

It was singular that Mr. Lakovsky's journeyings from West to East in his early years invariably brought him together with his relatives and friends of the former locales, some of whom (such as the families of Krantz, Zarkin and Dryen) he was associated with even in Russia.

The descendants and members of these old and well-known families were present at the interment and subsequently at minyon.

Mr. Lakovsky leaves three sons, Messrs Max, Edward and David, and two daughters, Mrs. Sophie Black and Mrs. Zillah Kane.
