

MANDURAH OBITUARY

The death of Mr. Martin Renaud occurred at Hollywood Hospital on Nov. 4, and his funeral took place at Karrakatta.

The deceased had spent the greater part of his life in Mandurah district. He came to the Murray before the first world war and enlisted from there and served with the 51st Battalion. He returned, as a semi-invalid, as so

many know, and had lived in Mandurah for the last 25 years, during which time he lived alone quietly, and was always looked on sympathetically by those who knew him, and when his illness overtook him, was cared for at the Murray Hospital, and by the R.S.L. and other friends, whose kindness was so appreciated by older friends at this time.
