

## Finnish Pioneers

To the Editor

Sir.—I read with interest the Jubilee supplement of the "Nambour Chronicle" and I pay tribute to the pioneers. Permit me to mention some of the Finnish pioneers who came to this country and this district in the 1900's. They were Messrs. Makkonen, Anderson, Ronland, Tamppinen, Kotkama, Hannus, Nyman.—Yours etc.,

V. L. ANDERSON

---

A typographical error occurred in our Jubilee Supplement in a statement made by Mr. G. F. Scott, of Maroochydore. Mr. Scott referred to the best times experienced in Queensland and mentioned the period "1902 to 1940." This should have read 1902 to 1914.
