

NEW DANCING STUDIO.

The well-known professional dancers, Matt. Lomanga and Maisie Foggitt, holders of Queensland championship, have had a record number of pupils since they have started the studio of dancing at the Trocadero. They have been forced to remove to a new and most up-to-date spacious dancing studio and ballroom, which their many pupils and intending pupils are cordially invited to inspect. The whole of the second floor of the Sun Newspaper Building, in Adelaide street, opposite new Town Hall, is occupied. Everything has been built and furnished for the convenience and comfort of the dancers.
