

"HAD A FEAST"

Car Collides With Pole

"WHISKY AND BEER"

"I've had a feast—whisky and beer."

Albert Michael Tober (40) imparted this information to a doctor at the Liverpool State Hospital on January 4. He had been taken there for the treatment of injuries received in a motor accident.

Evidence to this effect was given at the Liverpool Police Court last Thursday, when Tober pleaded guilty to a charge of having driven a car while under the influence of liquor.

Constable Clark stated that the defen-

dant, who smelt very strongly of liquor, collided with a telegraph pole in Cabramatta-road, Cabramatta.

Tober was fined £20, in default three months, and his license was suspended for six months.
