

ROSEWOOD.

Wednesday.

Accident.—Mr. J. Matvelchik met with an accident returning home from Rosewood on Saturday. He was driving in a spring dray, and it is surmised that it tipped over a culvert. He was thrown out and dragged along the road for some distance, but eventually regained control of the horse. Mr. H. Lambert, near whose residence the accident occurred, attended to Mr. Matvelchik, and took him to Rosewood for medical attention. He had three ribs fractured, besides abrasions.
