

ANOTHER MACCABEAN VICTORY

By defeating Bondi by 2 goals to 1, the "Macc" achieved its sixth successive win in the competition, and is now only one point behind Bondi in the Premiership competition.

Bondi attacked strongly at the start and within a few minutes, Wolfe Greenstein scored with a high oblique shot from the right wing. Play alternated from goal to goal until shortly before half time a Bondi back handled and Mark Rhuebens netted the penalty shot, making the half time scores one all. In the second half, the struggle was very even. E. Newman scored the winning goal for the "Macc".

Bondi was attacking strongly at the final whistle, but the brilliant defence of H. Kalenstein, back, and good work by the goalie, E. Isenberg, kept the game safe for the Maccabeans.

The Maccabeans are a greatly improved team, but the team fielded by the premiers should have been capable of winning, as it included most of the League's outstanding players.

KADIMAH v WARATAHS

The "Tabs" fielded an incomplete team, and the Kadimah proved too many for them winning easily by 7 goals to 3.
