Collected Most For Distress Fund in Pirie

Tribute to work done by Mr. W. Stauwer in the recent distress fund appeal was paid at a meeting of Pirie sub-branch of Returned Sailors and Soldiers' Imperial League last night.

Mr. F. S. Dodd (president) handed to Mr. Stauwer a kitbag given by Mr. H. L. Jennings, of Kensington Park, and a cash prize from Mr. J. N. Goodfellow, of Pirie. The awards had been made available for the sub-branch member who collected most for the fund.

Mr. Stauwer, responding briefly, said that the trophies were the first he had ever won.

Moving a vote of thanks to the donors, Mr. M. M. B. Middleton (secretary) said that their action indicated their interest in the sub-branch and the cause for which the appeal had been made.

In a letter to the sub-branch Mr. Jennings congratulated the winner, as well as officers and members, on a great effort. He also referred in appreciative terms to publicity given by "The Recorder" to the appeal and all returned men's affairs.

Mr. Middleton said that Mr. Jennings had been ill.
