This snap was taken outside "Anzac Harry's" in Beirut. It was forwarded to "Smith's" by Pte. G. M. Meredith, of 11 Allison St, Hobart West (second from left). "Anzac Harry" advertises that he was late of AFA, 12th Mobile Brigade, 1914-'18, that his Australian Bar and Restaurant dispenses "dinkum drinks and food like mother makes it." Australians on a "spot of leave" in Beirut usually hove-to at Harry's.
