

Presentation to Mr

T. J. Kallio

On Friday night at the R.S.L. Club Rooms a large number of diggers took the opportunity to make a small presentation and to say Au Revoir to Tom.

A very nice travelling rug was presented on behalf of the diggers and of a number of friends, not members, to Tom who has been a resident of the district and a club member for about 30 years.

In the absence of the President who was in hospital, Mr K. R. Crewes, a Vice-President of the club, made the presentation and wished Mr and Mrs Kallio every success and good health in their new sphere near Glenelg.

Mr Reg. Davey, also a Vice-President, supported the remarks of Mr Crewes and the diggers all joined in with their good wishes and sang "For he's a jolly good fellow."

Tom, who was very surprised, thanked everyone for the gift and good wishes and assured them that he would frequently return to Burra and renew friendships.
