

A touching reunion at Perth Airport recently ended nearly half a century of separation for a brother and a sister. Leon Harlap, 69, returned from Israel for the 80th birthday of his sister, Mrs. Mina Zusman, of Yokine, Western Australia. Forty-eight years ago, Harlap left Perth as the youngest member of the 10th Light Horse to go overseas. Nineteen relatives, most of whom he was seeing for the first time, met Harlap and his wife at the airport.
